

THE [go]spel SERIES

FACILITATOR'S GUIDE

Dear Partner,

Our hope and desire at Multiply is to encourage the Church to live on mission. In the past, our short-term mission team has primarily focused on programs such as TREK, ACTION, SOAR and GO Days to equip and send groups and individuals into the mission field. However, with the global pandemic closing down borders and limiting in-person gatherings, we began to rethink how we could continue to serve and partner with the local church to engage, encourage, and equip more “good news bearers.” We asked ourselves, *How can we as a team provide the same resources, teaching and support we’ve offered through our programs in a new way?* And thus, the [GO]SPEL video series was born.

With a focus on youth and young adults, we wanted to create videos for the purpose of gathering them (in person or online) for times of deeper learning, meaningful discussion and equipping around the Gospel message and how to share it. This free four part video series is accompanied by handouts with discussion and debrief questions, practical activities, and next step ideas. These videos can be watched once a week during regular youth group or small group meeting times, or over one weekend as part of a local mission experience

Culture Test

Take this short, online culture test to identify which worldview your culture primarily fits into:

Bible Stories

Identify some Bible stories that might speak to different cultures based on worldview.

Example: The story of the Prodigal Son in Luke 15 might relate well to people from an honor/shame culture because many of these cultures place a high value on family.

Next Step Ideas

Interview a friend from a different culture about worldview.

If they're a Christian: Ask them how they understand the Gospel from their perspective.

If they're not a Christian: How might you share a Jesus-story with them from their perspective/worldview?

Next Step Ideas

Go on a prayer walk in your neighborhood (see next page for a helpful resource).

Look back at the list of people you were going to pray for after watching the first video. How can you plan on sharing the Gospel with them?

Make a list of creative ways you can display God's love to others through words and deeds.

How to Do a Prayer Walk

All missional activity starts with paying attention to what God is already doing. Prayer walking is a simple way to begin doing this.

Jesus said he only did what he saw his Father doing (John 5:19). As we prayer walk our neighborhoods, we imitate Jesus by asking to see what our Father is doing.

You can prayer walk by yourself, but it's lots of fun to do it with your friends, small group, or missional community.

Before your prayer walk:

1. Plan a time for your prayer walk. You'll want to set aside approximately 90 minutes.
2. On the day of your prayer walk, gather everyone together, and create groups of 2-4 people.
3. Cast vision for the prayer walk:
 - We want to notice what God is already doing here.
 - We'll be paying attention to what God is showing us & praying quietly for his kingdom to come here.
 - Ask God to show you what it would look like if his kingdom came more fully here.
 - Ask God to show you his heart for the people you encounter.
 - Be "normal" - it will just look like we are taking a walk.
 - Be open to interaction: say hello, meet someone new, stop for a conversation, etc.
 - Pay attention to any impressions God gives you as you walk:
 - Pictures, scriptures, feelings, anything you notice, even bodily sensations.
4. Pray together as a group before you go, asking God to show you what he sees and feels while you walk.
5. Agree on a time for everyone to be back to debrief (30-60 minutes).

During your prayer walk:

1. Set a timer or alarm to make sure you're back on time to debrief!
2. Move out in small groups (2-4 people) in different directions, so you don't look like a big herd of people
3. Walk and pray!
 - Ask God to bring his kingdom more fully here.
 - Ask God to show you what he is doing here.
 - Be "normal" and friendly
 - Make note of anything you feel God is showing you.

After your prayer walk:

1. Share with one another about your experiences on the prayer walk.
 - Share any impressions you feel God gave you
 - Share any interesting interactions with people
 - Share frustrations or difficulties
 - Share any breakthroughs or insights
2. Pray together at the end for the neighborhood you prayer walked.

Discussion Questions

What stood out to you the most from the video?

Do you believe that you are already equipped to live out the Gospel?

Which “tool” (heart, eyes, ears, hands, mouth, feet) will be the biggest challenge for you to use?

Which “tool” comes the most naturally to you when it comes to sharing the Gospel?

Activities

Practical Application

Write out one or two practical ways you can use each “tool” for living out the Gospel.

Examples:

Using my ears to actually listen to my friend when he/she is sharing about a struggle.

Using my hands to help my neighbor clean up the leaves in their yard.

Next Steps

Think about what you have planned the next couple of days & identify two very practical ways you can live out the Gospel in your everyday life. Ask a friend to keep you accountable.
