

August 2026 Financial Summary

JUNE 2026 - AUGUST 2026, FIRST QUARTER, UNAUDITED

Net Results (\$USD)

Fiscal Year Ended	Aug 31, 2026	Aug 31, 2025
Revenue:	\$ 2,043,386	\$ 2,137,917
Expenses:	\$ 2,335,554	\$ 2,367,326
Net:	\$ (292,168)	\$ (229,409)

Year-over-Year Comparison: Our current results trail last year primarily due to non-recurring major gifts received in Q1 of last year that did not repeat in this period.

Budget Tracking: We are currently at a \$292K deficit compared to our year-to-date budgeted deficit of \$250K (which reflects last year’s seasonal giving patterns), a \$42K variance against budget.

Project-Specific Funding: Please note that surpluses from our designated project funding (our global workers and ministry projects) are held separately and not included in the operational deficit. This year, these donor-designated projects have spent \$54K more than they have raised, decreasing their specific reserves to \$3.09M (down from last year’s ending balance of \$3.14M).
