VISION AND PURPOSE

SOAR's vision is to equip and unite churches to live out the Great Commission, following the example of Jesus and raising the next generation of missional leaders. Through discipleship, service, collaboration, and leadership development, we desire to cultivate a culture of mission so that the world may know Jesus.

DESIRED OUTCOME

To see districts and churches working together while honoring their individual identities, leadership, and regional priorities. Together, we can create a movement of disciples making disciples, churches equipping churches, and the Body of Christ advancing God's mission.

UNITY WITHOUT UNIFORMITY

We believe every district and church has a unique calling, vision, and ministry context. SOAR values and respects the autonomy of each district and church to cast its own vision, establish priorities, and develop ministry opportunities that reflect the needs and values of its regional communities.

FREQUENTLY ASKED QUESTIONS

WHAT ABOUT PARENTAL INVOLVEMENT?

We would love to have parents serve alongside their students on SOAR. If you're interested in being an adult sponsor for the week or just a few days please contact your youth pastor.

CAN MY STUDENT ATTEND ONLY A FEW DAYS INSTEAD OF THE WHOLE WEEK?

We prefer the student to block off the entire time to get the full experience. We might only be partnering with a certain organization one day but not all of them, so it is difficult to plan each day separately number wise. The cost will be the same whether for part or a whole day that is attended. We have to make arrangements such as food and ministry locations based on the most people who will attend that day so the cost is the same whether a certain number of students show up each day.

WHAT IF I AM A PASTOR/YOUTH LEADER, BUT MY YOUTH GROUP CAN'T COME?

We would love to have you come and check out SOAR, even if it's just for a few days to see what it's all about and hopefully be able to bring a group for the next SOAR.

WHAT ABOUT LODGING?

We will work with each participant and group to find a host home, place to stay, or if they are local have them stay in their own home.

CAN MY STUDENT DRIVE THEMSELVES?

No, due to safety reasons we do not want students to drive to ministry locations, even if they are able to. We will be going to some places that will be unfamiliar to students and we don't want them to leave their car in a location that could be compromised. We also don't want them to leave whenever they want. Students may drive to the church where we will be meeting each day before we go out for the day and returning to at the end of the day. Once they have arrived, we ask that they not use it until after the evening session when students go back home.
