To ensure their safety, we are using initials or an alias for long-term workers serving in restricted areas. Also, the names of their contacts in country are routinely changed. Please pray for their protection. Ask the Lord of the harvest to continue to show them favor as he works through them to transform communities among the least reached.

1 SUNDAY: MULTIPLY (BRUCE ENNS)

GLOBAL

"This month, our 2025 Global Mission Report comes out, celebrating what God is doing by His Spirit, in nations around the world. Praise God! We are thankful! Please pray for the nurturing and development of disciples who make disciples in every region, and that God will send many more workers into the global harvest field. Also pray for healthy and fruitful partnerships with national leaders. What a privilege to be able to engage in God's local and global mission."

But you are a chosen people, a royal priesthood, a holy nation, God's special possession, that you may declare the praises of him who called you out of darkness into his wonderful light. ~ 1 Peter 2:9

2 MONDAY: CORY & MASAMI GIESBRECHT

JAPAN

"Please pray with us as we are hosting a team from Vancouver from February 18 to March 5. Let's pray that the Spirit will guide our steps and bless the harvest, and train up the team members. Pray that we will learn to rest in His work and work in His rest".

Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up. ~ Galatians 6:9

3 TUESDAY: EMERSON CARDOSO

BRAZIL

"Please pray for our ministry dreams for 2026, to mobilize and train young people and leaders for short-term missions in Brazil, Colombia, Paraguay, Costa Rica, Peru, Honduras, and El Salvador. Pray also for the pastoral training and mobilization program planned for March in Chile, and for our children's discipleship and church planting program, reaching families in isolated regions of Brazil and Mozambique. Praise God for the ongoing discipleship and church planting in the Amazon—we are praying to launch 150 new churches over the next five years!"

May God be gracious to us and bless us and make his face shine on us—so that your ways may be known on earth, your salvation among all nations. ~ Psalm 67:1, 2

4 WEDNESDAY: STACY KUHNS

PERU

Praise God for Stacy, who has faithfully served with Multiply in Peru for over eighteen years. After a significant time of prayer and discernment, Stacy has decided to accept a role with the Great Commission Foundation as Executive

Director of Gifted Hands Peru, a growing people movement in northern Peru with a heart to be the hands and feet of Jesus. Please join us in blessing Stacy in this venture, as she concludes her service with Multiply on March 31, 2026.

Well done, good and faithful servant! You have been faithful with a few things; I will put you in charge of many things. Come and share your master's happiness!
~ Matthew 25:23

5 THURSDAY: SANDRA FENDER

THAILAND

"After a busy season of Christmas outreach events, please pray for opportunities for follow-up with new believers. Pray also for Siriwan and Wichian as they lead the ministries of Naomi House, building relationships in the communities and discipling women and families. I continue to work remotely in administration and reporting for this project, while also discerning opportunities to share the Gospel as I serve the elderly in my rural community in Minnesota."

Show me the right path, O Lord; point out the road for me to follow. Lead me by your truth and teach me, for you are the God who saves me. All day long I put my hope in you. ~ Psalm 25:3-5 (NLT)

6 FRIDAY: ISRAEL & SANDRA CHAVEZ-PLETT

MEXICO

"This next season brings lots of busyness: receiving teams from Canada as well as new interns coming to serve with us at LifePoint. Please pray for us as we lead our little community into a new season of maturity. We want to focus on spiritual disciplines like learning to listen for God's voice through daily devotions, as well as be more intentional in looking for ways to serve. We are also planning for our time connecting with supporters in North America in the spring, and would ask for your prayers for us personally, as we wait on God for doors to open for us to adopt a second child."

Ask and it will be given to you; seek and you will find; knock and the door will be opened to you. For everyone who asks receives; the one who seeks finds; and to the one who knocks, the door will be opened. ~ Matthew 7:7, 8

7 SATURDAY: NASSER AL'QAHTANI

NORTH AFRICA & MIDDLE EAST

Pray for Nasser, serving as Multiply's Regional Team Leader for North Africa and the Middle East. Pray for the ongoing evangelistic initiatives, discipleship of new believers, and the developing of faith communities in a region which experiences serious persecution.

And after you have suffered a little while, the God of all grace, who has called you to his eternal glory in Christ, will himself restore, confirm, strengthen, and establish you. ~ 1 Peter 5:10

February 8 - 14

8 SUNDAY: B & C

CENTRAL ASIA

"Please pray for us to be faithful in continuing to disciple others through a Bible study in our home, as well as doing visitation and providing pastoral care. Pray specifically for one disciple hoping to support himself by selling second-hand items, and some young brothers and sisters who are still afraid to tell their parents about their decision to follow Christ. Pray for one of the national leaders who has been unable to pay for his health insurance and pension, and another who wants to get married but faces fear due to the lack of financial support for his ministry. May Jesus always be our center for stability and spiritual growth."

Commit your way to the Lord, trust in him, and he will act. ~ Psalm 37:5 (ESV)

9 MONDAY: CHASE LOVINS

NORTH AFRICA & MIDDLE EAST

Chase serves under Regional Team Leader Nasser al'Qahtani as Project Coordinator for the Middle East & North Africa team, supporting ministry initiatives in this part of the world. Pray for the Gospel to be shared among the Muslim people, for believers to have courage in the face of persecution and pray for the logistical challenges of coordinating projects in this region.

We also glory in our sufferings, because we know that suffering produces perseverance; perseverance, character; and character, hope. And hope does not put us to shame, because God's love has been poured out into our hearts through the Holy Spirit, who has been given to us. ~ Romans 5:3-5

10 TUESDAY: ANDRÉ & OLGA PRITZKAU

GERMANY

"Please join us in praying for Tom, who came to our church plant from a village near Potsdam. A few years ago, he came to faith in Jesus, and then began studying at the Theological Seminary in Berlin. It's crazy how God led him there! He's still at the very beginning of his faith journey and it's exciting. As we have been discipling him, he only recently prayed for the very first time, directly talking to Jesus. Pray with us for further waves of salvation to reach his family, who right now want nothing to do with religion."

For God, who said, "Let light shine out of darkness," made his light shine in our hearts to give us the light of the knowledge of God's glory displayed in the face of Christ. ~ 2 Corinthians 4:6

11 WEDNESDAY: CHARLES

NORTH AFRICA & MIDDLE EAST

Charles serves as part of Multiply's River of Life team, a network of indigenously led ministries across the Middle East and North Africa. Pray for his training of followers of Jesus through rock climbing expeditions which bring them into contact with Muslims in the Arabian peninsula.

Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus. ~ Philippians 4:6, 7

12 THURSDAY: KYLE & DANAЕ SCHMIDT

UGANDA

"We returned to Uganda on December 30, after a season of visiting family and supporting churches in North America. Please pray for a smooth transition and wisdom as we re-engage with friends and partners, and for clarity of vision for the upcoming year. Pray also for the King's Kid farm, as we begin the construction of chicken barns in the spring with hopes to introduce the first cycle of chicks by the fall. This project will allow the farm to be self-sustainable so that it can one day provide the entire food budget for the school."

And my God will meet all your needs according to the riches of his glory in Christ Jesus. ~ Philippians 4:19

13 FRIDAY: SEAN

EAST ASIA

Pray for Sean, developing translation resources and training Bible translators online to reach the many minority people groups in this region that do not currently have the scriptures in their own language. As a translation consultant, he helps move drafted translations toward being published.

How, then, can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them? ~ Romans 10:14

14 SATURDAY: LAVERN PRATT

PANAMA

"Praise God that we are actually finishing components of the redevelopment of the church center in Panama City, called House of the Sower! So many people, especially the Wounaan, are benefiting from this project. Various churches and Bible institutes are already renting spaces, with apartments also being used for visitors and mission teams. All of this contributes to the self-sustainability of the ministries of the Wounaan Church Conference, especially their outreach among

To Be Her Legs

SOUTH ASIA | By Nikki White

Marieke was only seven when she was hit by a car while cycling to school in the Netherlands. As she hovered between life and death, her parents were likewise suspended in the in-betweenness of trauma. The months passed, Marieke did not wake up, and her parents humbly asked God for the strength to endure this new reality.

Life went on, and little changed in Marieke's condition. Until, one day, it did.

When her eyes fluttered open one day, her parents caught their breath. Was their Marieke coming back to them? It became evident, however, that she was not the same little girl that had cheerfully pedaled off to school that day. She could communicate only with difficulty, and was paralyzed.

Her parents grieved the disabilities, but also rejoiced that their daughter was no longer in a coma. With a specialized wheelchair, Marieke again became a vital part of their family. When Marieke reached the age of seventeen, she and her parents wanted to express their thankfulness to the Lord in a tangible way. Exploring child sponsorship, they found a picture of a six-year-old boy in an orphanage

in India. His name was Jaeem.

Growing up in the orphanage, Jaeem received encouraging correspondence from Marieke's family. He also received wise mentorship from two of

Multiply's global workers, and went on to pursue post-secondary education and become a pastor, overseeing a network of house churches. He and his wife and children continued to be involved in the orphanage as volunteers.

Over the years, Jaeem would often reflect on a photograph of Marieke. One day, Lord, Jaeem

prayed, let me thank her in person. Until then, may I be worthy of her kindness. May I serve you in the ways that she cannot—and be her legs in the Kingdom of God.

It took many years to save enough to travel and meet the family in person, and it was a deeply emotional experience for all. It took Marieke some time to understand who Jaeem was, but when she did, she wept with joy.

"You changed my life," Jaeem told her. "You, who cannot even walk, have helped me to walk further in the Kingdom of God than I ever imagined possible."

Poco a Poco

MEXICO | By Eleazar Diaz

In pastoring RETO church, we have faced many different challenges. We have also seen God at work—beautiful moments, and powerful stories of transformation. One such story is that of Fabián and María José.

María José found our church through social media, and watched online for almost a year before gathering the courage to come and visit us in person. She began by attending occasionally, then more consistently. Bit by bit—poco a poco—she began to feel more comfortable, and become more involved. It was several months before she joined one of our home Bible studies. It was there that she heard the Gospel, and eventually surrendered her life fully to Christ.

From that moment on, María José began asking for prayer for her husband. "Fabián has not approved of me attending this church," she explained. "Please, will you pray for him?"

As a team, we committed to earnest prayer. We prayed for months, but nothing seemed to change. At least, nothing that we could see—but it turned out that God was very much at work in his heart!

During the summer, Fabián and María José's daughter came to one of our children's programs. It was a wonderful experience for her and, at the end, she invited her dad to attend the closing ceremony. To everyone's surprise, Fabián said yes!

After the event was over, we spent time talking together with Fabián. It seemed that he had been processing the changes he saw in his wife and daughter, and now wanted to get to know this God that they had been following. "I want to change my life," he confessed. "Can Jesus do that?"

It was a beautiful moment.

Since that day, Fabián and his family have not missed a single Sunday service. Both parents are now part of study groups—Fabián attends the men's group, where he now asks for prayer for his mother and siblings to come to know Jesus as well.

Please join us in praying for this family. May they continue to grow in Christ and become a testimony to their extended families.

the indigenous people of Panama. Please pray for me personally, as my sons and I process the complicated grief of the recent death of my ex-husband."

Blessed are those who mourn, for they will be comforted. ~ Matthew 5:4

[MONGOLIA](#)

"We have just recently returned to Mongolia from our time of visiting family and supporting churches in North America. Please pray for us as we re-engage in the work and ministry at the Trees of Life Center. Pray we will have wisdom and direction to know where to invest, in this new season. Pray specifically for the young couples in our community as we look for ways to disciple them."

And whether you turn to the right or to the left, your ears will hear this command behind you: "This is the way. Walk in it." ~ Isaiah 30:21

[16 MONDAY: GEORGE & NICOLETA](#)

[LITHUANIA](#)

"Praise God for a recent conference that brought together about 150 youth from all over Lithuania. Please pray for their spiritual growth. Pray specifically for Misha and Yan—two young people we are mentoring, going through difficult family issues. Pray for strength and steadfastness in their walk with God. Pray also for strategies to help house churches and new leaders in a Central Asian country we visited. Christians there pay a steep price for their beliefs; many have been interrogated, detained, and threatened. Several more trips are scheduled for July and September, to further our involvement in serving the underground Church."

We are hard pressed on every side, but not crushed; perplexed, but not in despair; persecuted, but not abandoned; struck down, but not destroyed. ~ 2 Corinthians 4:8

[17 TUESDAY: PAUL & SARA RAUGUST](#)

[FRANCE](#)

"Our core team of five has seen explosive growth, multiplying the possibilities for relationship and ministry here. Praise God for seven adults now working with us, and discerning future work in Bethancourt. They all bring experience, joy, and a desire to connect and serve, even as they navigate this season of unknowns. Already, we are able to do so much more with Kids' Bible Club, tutoring, and language classes. One-on-one relationships are going deeper with those we meet in these activities. Pray for us to point more and more of our neighbors to Jesus!"

Now he who supplies seed to the sower and bread for food will also supply and increase your store of seed and will enlarge the harvest of your righteousness.

~ 2 Corinthians 9:10

"This month, we are planning a large vision-casting gathering, bringing all the churches on the Eastern seaboard together. We are asking God for unity and for renewed vision and passion for making disciples. May we all allow God's Word to transform our lives to faithfully share the Gospel and disciple others."

Finally, all of you, have unity of mind, sympathy, brotherly love, a tender heart, and a humble mind. ~ 1 Peter 3:8 (ESV)

[19 THURSDAY: JUAN & MARIA](#)

"Thank you for all your support throughout the years, and specifically during this past year. It has been so obvious that the family of God has been holding us up in prayer! Praise God for the baptisms (and marriage!) of Catarina and Bruno, and for our friend's husband, Marco, no longer being hostile regarding her faith. Please pray for him, as he is now open to coming to church and exploring who Jesus is. Praise God for so many opportunities to plant seeds and for the Holy Spirit giving us boldness to proclaim the Gospel!"

Now, Lord, consider their threats and enable your servants to speak your word with great boldness. Stretch out your hand to heal and perform signs and wonders through the name of your holy servant Jesus. ~ Acts 4:29, 30

Pray that the Church will face this hardship with the eyes of our Father, who wants His peace—His 'shalom'—to reign. Pray that the Church in Africa will experience the coming Kingdom, and also contend for

it, in all of its fullness. Please pray for me as I travel to Benin for the first time, to meet with a fledgling group of churches. Pray also as I lead an upcoming gathering of USMB leaders with Congolese/American pastors/leaders. Pray for a deepening of relationships."

[22 SUNDAY: ARUN & ANJANA](#)

[CANADA](#)

"Please pray for our family as we travel to South Asia for our home assignment—our first return in four years. We will visit the churches in our network—many of which face persecution—to teach, preach, and lead seminars. Pray also for our extended family, as we spend time together grieving the many who have lost loved ones in the last four years. Pray for our two boys to understand and interpret their birth culture after four years in Canada, and for wisdom and grace as we help them navigate two worlds. Finally, pray for our Punjabi diaspora fellowship in BC to grow while we are away."

28 SATURDAY: LIA

EAST ASIA

After a focused season of discernment with Multiply, we have affirmed Lia's decision to return to the mission field in East Asia. Unfortunately, for various reasons, we are unable to continue to be her sending agency. Lia will conclude her time with Multiply on March 1, 2026. Join us in praying for her fruitful ministry among marginalized Buddhist people groups, and pray for her to find sustainable visa options that allow her to remain in this region."

And let us run with perseverance the race marked out for us, fixing our eyes on Jesus, the pioneer and perfecter of faith. ~ Hebrews 12: 2

REGIONAL SPOTLIGHT:

Europe

Europe has had a longer, more sustained exposure to Christianity than any other continent, yet an increasingly secular world view perceives the Gospel as outdated and irrelevant. Despite this, global workers in Austria, Germany, France, Portugal, Lithuania, Ukraine and other Eastern European countries are encountering many young people with a deep, spiritual hunger for a personal faith experience. Although a growing population of North African immigrants has led to many societies becoming increasingly polarized between secularism and Islam, this has also opened the door for the Church to reach this diaspora with a holistic presentation of the Gospel.

Johann Matthies
Regional Team Leader

Pray

- For an end to the war in Ukraine and for those who are displaced and suffering
- For churches to be welcoming and equipped to care for refugees
- For those impacted by the severe economic crisis in Europe
- For Regional Team Leader Johann Matthies, overseeing European church planting, short-term mission, and resourcing churches to respond to the many social and humanitarian crises facing this region
