To ensure their safety, we are using initials or an alias for long-term workers serving in restricted areas. Also, the names of their contacts in country are routinely changed. Please pray for their protection. Ask the Lord of the harvest to continue to show them favor as he works through them to transform communities among the least reached.

1 [SUNDAY | MAXYM & ANYA OLIFEROVSKI | UKRAINE](#)

“Dear friends, partners, brothers and sisters—all who care for Ukraine. The situation continues to worsen, as missile and drone attacks increase and more people leave the country for safety reasons. We do not put our hands down, but continue to serve in the middle of this man-made disaster. Please, pray for MB churches to be continuously strengthened to serve their communities holistically—bodies, souls and spirits. Pray for the New Hope Center (Zaporizhzhia) and the Trauma Healing Center (Western Ukraine) to help others receive God’s grace, peace, and joy in their lives. Pray for a just peace to come to our beautiful country.”

May the God of all grace, who called us to his eternal glory by Christ Jesus, after you have suffered a while, perfect, establish, strengthen, and settle you.
~ 1 Peter 5:10 (NKJV)

2 [MONDAY | CECIL & TRACY RAMOS | THAILAND](#)

“Please pray for us as we deepen relationships here in North America during this season of visiting friends and supporting churches, and inviting others into God’s mission in Southeast Asia. Pray for Tracy as she continues to raise awareness of Dignity Embroidery, a micro-business initiative and discipleship venture for women in Thailand. Pray for me, Cecil, to lock into my doctoral studies in Global Leadership and Perspectives.”

3 [TUESDAY | MARCELA & DAVID | FRANCE](#)

Pray for Marcela and her husband David, working alongside a local French church, doing pre-evangelistic activities, evangelism, discipleship, and holistic church planting. They are primarily focused on immigrants from North-Africa and Turkish background people in the area.

4 [WEDNESDAY | PABLO & MARICELA CHAVEZ | PERU](#)

“Conversations here in Piura these days are related to El Niño—said to be the worst one of all. People are trying to fix their houses to have a better chance to survive the devastating effects of the rains. Please pray that God will be with us, and for us, during this time. Pray also for the ACTION team that is scheduled to visit us November, 19-29. Pray for unity of vision and mission among the pastors

here. We are thankful for what our Lord is doing in the Peruvian MB church. We know there is much to be done, but we also see God’s hand moving and working among them, and it is a blessing and a joy to be part of it.”

Let all who take refuge in you be glad; let them ever sing for joy. Spread your protection over them, that those who love your name may rejoice in you.
~ Psalm 5:11

5 [THURSDAY | RICK & KAREN SAWATZKY | LITHUANIA](#)

In addition, there is an Alpha program going on in our Vilnius 180 Degree Church right now—please pray that many will come to faith in Christ. Pray that the Lithuanian Christians will continue to grow strong in their faith as disciples of Jesus, in spite of the pressures that come their way in various forms, including political pressure from Russia.”

7 [SATURDAY | AURÉLIE HIRSCHLER | BURUNDI](#)

Pray for Aurélie as she is serving in Burundi, using her professional skills to teach at the Karubabi Harvest School. Pray for her as she adapts to the culture and engages with the local community by sharing the Gospel of Jesus Christ, particularly among the Batwa people group.

And if anyone gives even a cup of cold water to one of these little ones who is my disciple, truly I tell you, that person will certainly not lose their reward.
~ Matthew 10:42

8 SUNDAY | DALECIO OSORIO (NATIONAL PARTNER) | PANAMA

“Please pray for me and for my brother, Oberlin, as we disciple Wounaan believers in their own language, as well as in Spanish. Pray also for discernment, as we are seeking God’s guidance regarding whether it would be wise for us to move to Colombia to live closer to the Wounaan there, and enter into full-time ministry.”

If any of you lacks wisdom, let him ask of God, who gives to all liberally and without reproach, and it will be given to him. ~ James 1:5

9 MONDAY | SEAN & AMY HILDEBRAND | UGANDA

“Please pray for the new grassroots healthcare ministry opportunity that God has opened up for Amy. She is serving alongside experienced local nurses as they plan spiritually enriching retreats for those caught up in the challenges of healthcare here in Uganda. Pray also for continued wisdom for me (Sean) and our national partners, as we look to further develop the Bible School. Praise God that our family is healthy, after a month of various illnesses.”

For the Lord is good and his love endures forever; his faithfulness continues through all generations. ~ Psalm 100:5

10 TUESDAY | LUCAS & WENTY BURHAN | JAPAN

“We moved to a new city in Tsukuba in August; praise God that He has connected us with so many young people and neighbors in the city, as well as an online community. Please pray for the people we minister to, so they can open their hearts to Jesus, be planted in the Word of God, and become His workers! We are now gathering support for our first participation in a Multiply conference, to be held in Bali next January! We are so excited to see what God has for us!”

The harvest is plentiful, but the laborers are few; therefore pray earnestly to the Lord of the harvest to send out laborers into his harvest. ~ Matthew 9:37-38

11 WEDNESDAY | EINER & GIRLESA ZULUAGA | PANAMA

“Our team of indigenous Wounaan leaders from Panama travels through dangerous jungles where terrorist groups and drug traffickers are active, in order to reach their Wounaan brothers and sisters in the Chocó region of Colombia. At a recent training, there were thirty-five people from more than ten different villages—villages where they are the only Christians, and where being a Christian is synonymous with persecution and hatred from civil leaders, witch doctors, and even from their own families. Pray for the Wounaan who have been born again—simple, sincere believers who love God and are willing to pay the cost of following Him.”

We are afflicted in every way, but not crushed; perplexed, but not despairing; persecuted, but not forsaken; struck down, but not destroyed. ~ 2 Corinthians 4:8, 9

12 THURSDAY | JOHN & JENN JOHNSTONE | CANADA

“As we spend more time on reserves within local communities, we would greatly appreciate your prayers for our construction efforts to clean, repair, and renovate homes, allowing families to stay together and helping elders to live more comfortably. Pray for rightness-ness of relationship, that right relationships will be built so that the Creator, Creator Son, and Creator Spirit may be known and honored. Pray also for local churches to be inspired to support mission work on the reserves—loving our neighbors close to home, just as we love those who are overseas and across borders.”

As you sent me into the world, I have sent them into the world. ~ John 17:18

13 FRIDAY | DANNY & CYNTHIA ASIRIT | THE PHILIPPINES

“Praise the Lord! We are rejoicing in what God is doing through our street and park evangelism. Many people have heard the Gospel and responded by putting their faith in Jesus Christ. We are especially grateful that some of the young people who surrendered their lives to Christ are now faithfully attending Campus Connect every Tuesday. We give all the glory to God! Our prayer is that these young believers will continue to grow deep in Christ, become rooted in His Word, and eventually make disciples of others.”

And I pray that you, being rooted and established in love, may have power, together with all the Lord’s holy people, to grasp how wide and long and high and deep is the love of Christ, and to know this love that surpasses knowledge—that you may be filled to the measure of all the fullness of God. ~ Ephesians 3:17b-19

14 SATURDAY | FRANZ WOLF | BRAZIL

All the way to my Doorstep

THAILAND | By Wanchai Kumrod

God answered our prayers and gave us an opportunity to serve together as a family in Panthong during our Spring break from Grace International School. I want to thank God.

While doing training with the Phanthong house church team, I taught about the practice of prayer walking. We met in a local coffee shop for one hour, then went out to prayer walk and bless the village where Khun De (the house church leader) lives.

While walking, we met a family who was about to eat together. We asked them, “Is there anything you would like Jesus to bless?”

At first, they said no. But after a while, one woman in the group told our team that she wanted Jesus to bless her health. A doctor had found a serious problem with her heart valve, so she wanted Jesus to heal her heart and make it normal. Our team prayed for her with the laying on of hands and invited her to come on Sunday to worship Jesus together at Khun De’s house, so she could know Jesus more. Then our team continued with our prayer walk.

Some days later, Khun De told us that after we prayed for this woman, she went to the hospital for her scheduled checkup. When she was examined, the

doctor told her that her heart valve was normal. She was amazed!

The next Sunday, she brought her whole family to Khun De’s house early in the morning and asked, “When will we start worshiping Jesus? I want to worship already!”

Khun De told her it would start at 10:00 AM, and asked her to come back then. At 10:00 AM, she and her family returned, and she shared her testimony—that Jesus had healed her.

“When I first saw you walking and talking about Jesus,” she told us, “I didn’t want to listen. I went back inside my house. I didn’t expect that your team would walk all the way to my doorstep!”

Please pray for the church leaders in Panthong who are following up with this woman. May this healing be a seed that is planted in good soil and reap a harvest.

Until his Last Breath

PHILIPPINES | By Danny Asirit

Noli’s life is a testimony of God’s redeeming grace, like the prodigal son who once strayed far from home.

He was raised by a faithful Christian mother who never stopped sowing God’s Word into her children, but Noli hardened his heart and pursued a life in the world. He even fell into drugs, which then led to eight years in prison. But it was there, in that place of brokenness, that he encountered Jesus. The Gospel was shared with him, he received Christ as his Lord and Savior, and his faith grew stronger through prayer, worship, and Bible study.

After his release from prison, his body continued to be weakened by long-term diabetes and, eventually, dialysis. Still, Noli’s spirit remained steadfast. He continued to worship and draw near to God despite his condition. Eventually, his health declined, and doctors told him that the dialysis could no longer continue.

In his final days, Noli prepared his heart to meet the Lord. He requested to be baptized again in his own way and, surrounded by his family and his church family, he publicly declared his faith and his longing for God’s presence.

When he reached the point where he could no longer go to church, the church came to him—bringing worship, prayer, and the Word right into his own home. Night after night, Noli’s house became a place of worship and evangelism to family, friends, and neighbors.

Until his last breath, Noli kept praising God, thanking Him for a salvation that he knew he did not deserve, yet had freely received in Christ. It was while a service was being held recently in his house that the Lord called Noli peacefully into His presence—a beautiful reminder of God’s unfailing love, and how He restores the lost, forgives the repentant, and brings His children home.

May the seeds of the Gospel planted in every heart that heard his testimony continue to grow and draw many closer to Jesus Christ.

PRAY: Multiply’s Danny and Cynthia Asirit are serving alongside the MB church in Brookes Point, Palawan.

16 **MONDAY | RICARDO MEMBACHE (NATIONAL PARTNER) | PANAMA**

“Please continue to pray for the Panamanian Wounaan missionaries who are working to advance the Lord’s Kingdom among the Wounaan of Colombia. Recently, one team of pastors was headed to the village of Jaqué in the jungle, and their boat capsized. The outboard motors were left submerged, and it took some time to get them running again. When they finally reached the village and were able to minister there, fifteen people believed the Gospel message and were baptized! Praise God!”

For I am convinced that neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord. ~ Romans 8:38, 39

17 **TUESDAY | A & R | EUROPE & CENTRAL ASIA**

Having been denied a visa after serving since 2012, this couple is now based off the coast of their previous target country, serving church planting initiatives among the Turkish-speaking diaspora, hosting global workers and national pastors, and raising up national church leaders to reach the Muslim people group with the good news of Jesus Christ.

18 **WEDNESDAY | JAN H | MIDDLE EAST & NORTH AFRICA**

“Praise God—I am hoping to move to the Arabian Peninsula in January! Please pray for me as I prepare to launch overseas. It is exciting, but this preparation and packing season also comes with challenges as I navigate the physical therapy that has followed my wrist surgeries. Pray also as I am anticipating moving away from my family and community, while building a team of people and churches to partner with me as I go. Pray that the Lord would go ahead of me in this transition.”

I know your deeds. See, I have placed before you an open door that no one can shut. ~ Revelation 3:8a

19 **THURSDAY | DENIS & ALBINA NIKITIN | CANADA**

Do not forget to show hospitality to strangers, for by so doing some people have shown hospitality to angels without knowing it. ~ Hebrews 13:2

20 **FRIDAY | ELEAZAR & SHAILA DIAZ-ORTIZ | MEXICO**

—“Praise God for ongoing fruit from our summer camps—we had around fifty-five kids attending every day, and quite a few families came to church afterward. Please pray for the Bible study group we started with parents whose children attended the camps. May God use this time to reveal Himself to them, and draw them closer. We are also asking God for guidance about which ministries we should continue and which ones we may need to pass on to others. We love each of these ministries, which makes the decision so difficult. We would really appreciate your prayers as we walk through this process.”

The Lord says, “I will guide you along the best pathway for your life. I will advise you and watch over you.” ~ Psalm 32:8 (NLT)

21 **SATURDAY | KYLA SINCLAIR-PETERS | CANADA**

“Praise God for breakthrough at our overnight camp. In one cabin, the boys started praying out loud to Jesus in front of their peers. This was huge! Almost every boy in that cabin asked to take a Bible home—I’ve never had that happen before! Please pray for the Discovery Bible Study I hope to start with them soon.”

*Trust in the Lord forever, for the Lord, the Lord himself, is the Rock eternal.
~ Isaiah 26:4*

Pray for two newly ordained pastors in our fellowship, and for Pastor Valdas as he completes thirty years of faithful service and transitions leadership to a new pastor. Pray also for our pastors' refreshment weekends, that they would provide rest, renewal, encouragement, and deeper unity."

Asia

Multiply Global Workers are serving in thriving church planting movements and holistic ministries in multiple countries in Asia, including Thailand, Laos, the Philippines, Japan, Bangladesh, and Myanmar. These are countries with restricted communication protocol due to religious persecution. We partner with national leaders in bringing the Gospel to remote villages, equipping bi-vocational pastors through small, self-sustainable business ventures, promoting community development projects, and discipling and training new believers to start new house churches. Political unrest, economic struggles, disease, societal corruption, and a growing disillusionment with Buddhism, Animism, Hinduism, Islam, and other traditional belief systems have resulted in an encouraging openness to the Gospel.
